

2
shells

© KinderPrintables.com

This section contains two line drawings of shells. On the left is a scallop, shown from a top-down perspective, with its mantle edge visible. On the right is a bivalve shell, shown from a side perspective with its two halves slightly open. The text '2 shells' is centered to the right of the drawings. A copyright notice '© KinderPrintables.com' is located in the bottom right corner of the dashed box.

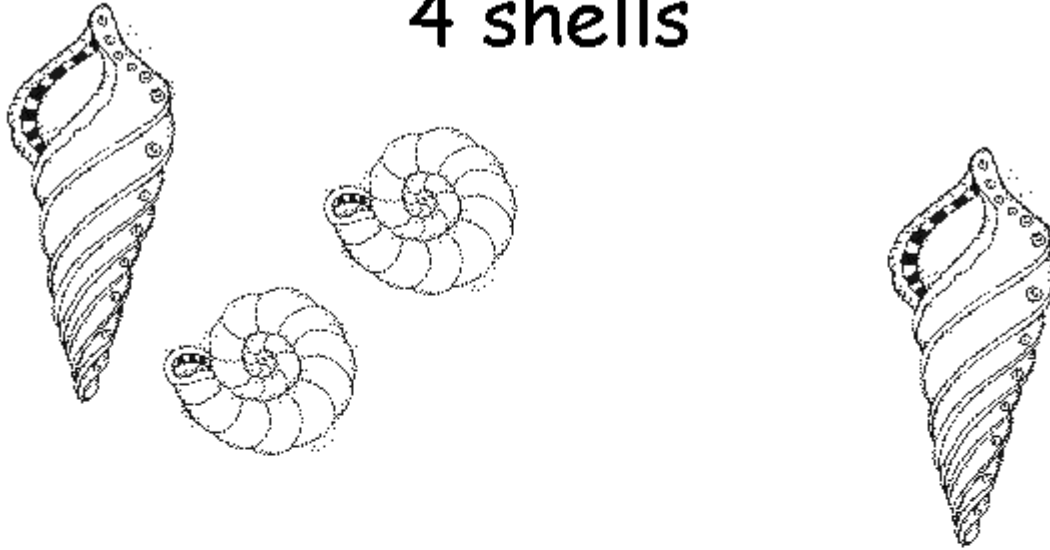

3 shells

This section contains three line drawings of shells. On the left is a bivalve shell, similar to the one in the first section, shown from a side perspective. In the center is a nautilus shell, shown in a cross-section to reveal its internal structure. On the right is a gastropod shell, shown from a side perspective. The text '3 shells' is centered above the drawings. A copyright notice '© KinderPrintables.com' is located in the bottom right corner of the dashed box.
